

September 10

Dear Parents/Caregivers,

Attached to this letter is a form asking you to indicate ways in which you could help to ensure our students have access to the best resources possible and that they continue to benefit from and enjoy the wonderful resources already present in the school.

We would like to hear about any skills and talents you may have that we can use to enhance the learning experiences of the students.

We would also like your opinion on a number of issues.

P and F:

We understand that not everyone can attend meetings but there are other ways to be involved; hence the form.

We will be looking for a new committee in 2015, as some of the officer holders are stepping down or moving away. Meetings are held monthly and rarely last more than one hour. We are considering a change of time for these meetings.

We are looking to expand the work of the P and F beyond funding the mowing and being involved with the fete.

Please give some consideration to being part of the P and F committee in 2015, or to commit to assist with their projects.

The Fete:

The fete will be held on March 13 next year. I would really like to begin the planning and organisation for this next term to give us a head start. We are looking for a convenor/s as Renee Phillips will not be with us next year.

The \$100 Club:

This enterprise nets us \$80 a fortnight for very little work. Renee Phillips has been driving this for a long time and we need assistance with this.

The next P and F meeting is tomorrow week (September 17) so I would be grateful if you could return the form as soon as possible.

Warm regards,

Catherine McKechnie (Principal)

I can assist with:

- Working Bees
- Tuckshop
- Classroom Work
- Discos or events organised by the school or the P and F
- The 100 Club

I have the following skills:

- 1.
- 2.
